- Dean's List; Phi Theta Kappa Honor Society; National Society of Leadership and Success (NSLS) inductee.
- Transferring to a four-year university in 2027 to complete a B.S. in Business Economics.
- Relevant coursework: Managerial Accounting, Business Law, Calculus, Macroeconomics, Information Literacy (Honors).

LEADERSHIP EXPERIENCE

Director of Budget & Finance | *ASG, Saddleback College | Mission Viejo, CA* May 2026 – Present

- Lead the Budget & Finance Committee overseeing a six-figure student budget; accountable for fund allocation, financial compliance, and alignment with institutional goals.
- Recruit, interview, train, and manage committee officers; run public meetings in compliance with the Brown Act and district procedures.
- Evaluate and approve funding requests from clubs, programs, and events based on ROI and student impact; drive development of the annual ASSC budget.

Officer of Finance | *ASG, Saddleback College | Mission Viejo, CA* Aug 2025 – May 2026

- Tracked quarterly budgets and ledgers across major academic divisions; presented allocation recommendations to the budget committee.
- Reviewed funding requests against budget capacity, expected revenue, and program importance; promoted to Director within one academic year.

Founder & President | *College vs Cancer (Nonprofit) | Southern California* 2025 – Present

- Founded a nonprofit delivering care packages to children undergoing cancer treatment; built branding, website, and outreach from zero.
- Managing California incorporation, EIN, and 501(c)(3) registration; lead fundraising, partnerships, and volunteer coordination.

WORK EXPERIENCE

E-Commerce / Customer Service Associate & Bakery Associate | *Whole Foods Market* Apr 2025 – Dec 2025

- Fulfilled online orders, handled cash and card transactions, and resolved guest escalations in a high-volume retail environment; maintained food-safety and quality-control logs.

Operations Team Member | *Raising Cane's | Aliso Viejo, CA* May 2023 – Feb 2024

- Sustained service speed and accuracy during peak evening shifts; coordinated handoffs across stations.

PROJECTS

- U.S. Economy 2025–2026 Outlook — Analyzed Federal Reserve data, speeches, and market indicators to forecast GDP, inflation, and rate paths; presented findings to a faculty panel (Fall 2025).
- Self-Directed Investment Portfolio — Managing personal equity and options positions since 2022; track macro trends, earnings, and sector rotation.
